“ONE LIFE”
ROAD SAFETY AWARENESS CAMPAIGN

Everyone is a road user. Road crash fatalities are increasing day by day. As per the report titled “Road Accidents in India-2015”, published by Ministry of Road Transports and Highways, the total number of road accidents increased by 2.5 per cent from 4,89,400 in 2014 to 5,01,423 in 2015. The total number of persons killed in road accidents increased by 4.6 per cent from 1,39,671 in 2014 to 1,46,133 in 2015. Road accident injuries have also increased by 1.4 per cent from 4,93,474 in 2014 to 5,00,279 in 2015. The severity of road accidents, measured in terms of number of persons killed per 100 accidents has increased from 28.5 in 2014 to 29.1 in 2015. The report further states that 1,374 accidents and 400 deaths take place every day on Indian roads.

Awareness is required about the road signs, safe driving behaviour, law and the rules relating to proper and responsible vehicle use on road.

There is one more aspect. It is more often seen that people are hesitant to render immediate help to the road accident victims. The victims lay wounded on the road for sometime till the arrival of police. Delay in rendering medical help in such cases sometimes is fatal.

In Savelife Foundation & Anr. Vs. Union of India & Anr. (decided on 30.03.2016), the Hon’ble Supreme Court of India observed, inter-alia, as follows:

Human life is precious. It has no substitute. Road safety is need of the hour. The main challenge of road safety is to bring about a change in road user behaviour. Road users should learn to consider the road as a shared public space. Human behaviour is a factor in over 90% of road crashes. In order to reverse the rising trend of road casualties awareness is required.
"Accident cases require fastest care and rescue which could be provided by those closest to the scene of the accident. Bystanders' clear support is essential to enhance the chances of survival of victim in the 'Golden Hour' i.e. the first hour of the injury. As per the WHO India Recommendations, 50% of the victims die in the first 15 minutes due to serious cardiovascular or nervous system injuries and the rest can be saved through by providing basic life support during the 'Golden Hour'. Right to life is enshrined under Article 21 which includes right to safety of persons while traveling on the road and the immediate medical assistance as a necessary corollary is required to be provided and also adequate legal protection and prevention from harassment to good Samaritans."

Good Samaritans have the fear of legal consequences, involvement in litigation and repeated visits to police station. There is urgent need to spread awareness about the legal protection to Good Samaritans.

Road safety has many facets. Road safety is a shared responsibility. It requires the participation of all. The success of road safety strategies depends upon a broad base of support and common action from all stakeholders.

Keeping in view all these aspects, Haryana State Legal Services Authority launched "One Life": Road Safety Awareness Campaign. It was launched on 23.07.2016 in the Administrative Office of Haryana State Legal Services Authority at Panchkula by Hon’ble Mr. Justice Ajay Kumar Mittal, Judge, Punjab and Haryana High Court and Executive Chairman, Haryana State Legal Services Authority. The increasing road fatalities these days are not only alarming but disturbing also. Many casualties take place annually which are outnumbering deaths due to diseases like Malaria, Tuberculosis etc."

Hon’ble Executive Chairman emphasized the need to spread awareness and sensitize people about road safety. On the said occasion, Haryana State Legal Services Authority also released a handbook on Road Safety. SPECIAL DRIVE FOR UNORGANIZED SECTOR WORKERS IN DISTRICT MEWAT

Mewat is one of the most backward districts of Haryana. In terms of several vital socio-economic parameters, it falls way behind other parts of the country, despite being a part of the prosperous state of Haryana. This district is in the grip of poverty. Major part of the population is engaged in agriculture and labour activities. Due to the developmental projects like construction of Kundli-Manesar-Palwal Express Way, construction of Check Dams in Arawali Hills, construction of District Headquarters etc. at Nuh, the concentration of labour engaged in construction industry is more in the region situated on the periphery of Nuh spreading from village Rojka meo to Nuh. District Legal Services Mewat noticed that there was not even a single registration office of the Labour Department in Mewat District. Benefits of most of the welfare schemes of labour Department flow only when workers are registered. Keeping in view all this, special drive was launched in District Mewat for making people aware of the welfare schemes of labour department, and to help them get registered so that they start getting the benefits of labour welfare schemes. This special drive was held from 1st June, 2016 to 15th June, 2016 to effectively and meaningfully implement NALSA (Legal Services...
the Workers in the Unorganized Sector) Scheme, 2015.

In the first phase of special drive, 30 villages namely Tain, Ghasera, Rehna, Biwan, Shok, Muradbhas, Khedla, Salamba, Rojka Meo, Bichor, Jharokdi, Rewasan, Khod, Basai, Dirduka, Mahon, Mahrola, Bainsi, Shahpur Nagli, Badka, Rithoda, Adbar, Danduka, Bajadka, Alduka, Chapera, Kurthla, Baupur, Tapkan and Meoli were selected. All these 30 villages were visited by Secretary, DLSA, Mewat. Camps were organized in the identified villages. The participants therein were made aware about the schemes of Labour Welfare Board meant for the benefit of workers. On 15th June, 2016, a program titled as “Rastariya Majdoor Adhikar Sammelan” was convened. It was attended by about 1500 people. They were not only made aware about their rights under various welfare schemes of Labour Department but were also sensitized and made aware about the welfare policies carried out by other departments of the government.

Besides the stall of department of labour, around 12 other departments including the Departments of Education, Agriculture, Horticulture & Soil Conservation, Forest, Ayush, Dakshin Haryana Bijli Vitran Nigam, Social Welfare, Health, Red Cross & District Information Technology Society Department, Rural Development, Mewat Development Agency, Women Protection Officer etc. and some NGOs namely S.R.F. Foundation, Sehgal Foundation, Care Trust, Digital Empowerment Foundation(CIRC), manifested their core activities meant for the lower strata of public at large by installing stalls. Officers of the various departments made people aware of the welfare scheme of their respective departments. Under this drive, till 15th June 2016, 569 workers were registered with the labour department. In this special drive, Labour Department also co-ordinated with District Legal Services Authority, Mewat.
